Witness Tree Academy, Pilot Rock

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 National Baked Bean Month	2 National Blueberry Month	3 National Hot Dog Month	4 <i>Independence Day</i>	5 Americans eat more than 6 million hot dogs each day.	6 Most ice cream is sold on Sunday.	7 Blueberries are a good source of Vitamin C and fiber.
8 Watermelon is native to the Kalahari Desert of Africa.	9 Carrots belong to the parsley family.	10 Celery is a good source of vitamin C and potassium.	11 450 hot dogs are eaten each second in the U.S.	12 Every part of the watermelon is edible.	13 One large artichoke contains only 25 calories.	14 It takes about 50 licks to eat a single scoop ice cream cone.
15 National Ice Cream Day	16 Blueberries are the second most popular berry in the U.S.	17 Early explorers used watermelons as canteens.	18 Carrots have the most vitamin A of all vegetables.	19 Celery is low in calories: 2 stalks have about 20 calories.	20 Vanilla is America's favorite ice cream flavor.	21 Most watermelons weigh from 5-50 pounds.
22 Artichokes are one of the oldest known foods.	23 Watermelons cannot be harvested by machine.	24 The largest carrot recorded was 193 1/4 inches.	25 The first ice cream cone was made New York City in 1886.	26 Blueberries are one of the few truly blue foods on earth.	27 Watermelon is grown in over 96 countries worldwide.	28 Carrots can be purple, white, red or yellow.
29 Blueberries are native to North America.	30 The Willamette Valley is the caneberry capital of the world.	31 Black raspberries are native to North America.	 <p><i>Growing a Nation: The Story of American Agriculture</i> Learn how agriculture has shaped the history of the United States. <i>Free-loan</i> from Oregon AITC. http://AITC.oregonstate.edu</p>			

Ice Cream in a Bag
